Blackwood Community Recreation Association Inc. with
Gymnastics South Australia (GSA)
Gymnastics Australia (GA)

All coaches are accredited with Gymnastics Australia

Welcome!

Welcome to Blackwood Gymsports! Blackwood Gymsports commenced in 1903 as the Blackwood & Belair Boys Club. It has evolved over the years to become Blackwood Gymsports. Blackwood Gymsports operates out of the Blackwood Community Recreation Centre in Eden Hills.

At Blackwood Gymsports we strive to provide a nurturing environment that is conducive to the development and enjoyment of athletes young and old. At our core we value supporting our wider community to promote fundamental development of children of all ages.

Our culture of participation, enjoyment and hard work has helped develop a club that we are extremely proud of. We know you will enjoy and take pride in being part of Blackwood Gymsports.

System of Governance

Blackwood Gymsports is a program operated by the Blackwood Community Recreation Association Inc. (BCRAI). BCRAI is run by a volunteer Board of Management. BCRAI Board of Management consists of a President, Vice-President, Secretary, Treasurer, Blackwood Lions Club Representative, Blackwood Rotary Club Representative, and general committee members.

Blackwood Gymsports - Gymnastics Program and Trampolining Program are administered by the Gymsports Coordinator in Consultation with Lead Coaches and BCRC Management.

Policies and Additional Information

These documents can be found on our website under policies.

Please read the appropriate document for the sport you are involved in as it includes more detailed information about:-

- Privacy Policy
- Member Protection Policy
- Codes of Behaviour
- Emergency Procedures
- Hot Weather Policy

Expectations at Blackwood Gymsports

What are the expectations of a gymnast & parent when joining a class?

- The gymnasts will be expected to arrive on time, follow instructions, and apply themselves to the program.
- Parents are expected to be supportive and ensure that their child arrives at the appropriate time and is picked up on time directly from the Gymsports Hall
- All athletes are expected to attend a majority of each terms sessions – if athletes are consistently absent without notice to BCRC, BCRC reserves the right to not offer competitions to these athletes or suggest an alternative program.
- Both children and parents are expected to abide by their respective rules as outlined in this handbook.

What can gymnasts and parents expect from Blackwood Gymsports - Gymnastics Program?

- The gymnast can expect the dedication of their coaches to the task of developing their gymnastic ability to the athletes personal best. Additionally they can expect that the coaching staff will abide by professional and ethical standards of the highest degree.
- No guarantees can be made regarding the outcomes of competitions or the level of competence to which a gymnast will rise. We can only assure you that the programs we put in place will give your child the best chance to maximize their own potential if correctly followed with effort, persistence and determination.

Sports Vouchers

Blackwood Gymsports is very happy to accept the government issued Sports Vouchers. As of 2025, families are able to claim two \$100 vouchers which can be used to reduce term fees. To access the Sports Voucher form, please scan the QR code.

Once the Sports Voucher has been completed, please bring the form to the front desk. We will then submit the form on your behalf and once we receive the rebate we will add a credit onto your Wellness account. If you are wanting to pay term fees in full please submit the voucher well in advance of the term commencing as it can take a while for the rebate to be received. Please note that the Sports Vouchers can only be used for term fees - no equipment or one off 'come and try sessions' can be claimed.

Gymsports Hall Safety Rules

The following rules must be followed by gymnasts, parents and siblings

- Athletes must be dropped off and picked up from the gymsports hall. There are to be no athletes walking through the car park unattended. Any athlete asked by their parent to meet them in the car park will remain under the supervision of the coach until the parent collects them from the gymsports hall.
- Equipment may only be used by gymnasts under the supervision of a coach.
- During class, the gymnast is to walk between pieces of equipment and run on the floor only when asked by the coach.
- Gymnasts are to seek permission to leave the class at all times. If going to the bathroom advise your coach and take a "Bathroom Buddy". If the gymnast is leaving early, please ensure the coach is aware of this.
- Food or drinks are not permitted in the Gymsports Hall except for drink bottles containing water. Any snacks must remain in the locker room and any and all rubbish should be placed in the bins.
- No photography or videoing during training for any reason.
- All bags and personal effects are to be neatly stored in the cubby holes and not present a trip hazard to other gymnasts and visitors to the club.
- Please keep the Gymsports Hall free of clutter and rubbish. Put rubbish in bins provided.
- If a gymnast is feeling unwell or is injured, please report this immediately to the coach. First aid equipment is available onsite.
- In an emergency, coaches will try to contact parents but if necessary, the most appropriate medical assistance will be called upon including an ambulance (at the gymnast's expense), if required.
- Blackwood Recreation Centre is a smoke, vape and alcohol free zone.
- Athletes are to wear a leotard and or T-shirt at all times when within the centre. No bare chests or crop tops.
- No jewellery is to be worn during training and long hair must be neatly tied back in a bun or pony tail.
- No parents and caregivers are to stay and watch in the gymsports hall. There is a viewing room for parents who wish to stay during class time and any parents or caregivers who are watching in the gymsports hall will be asked to move to the viewing room.

Assumption of risk

Like any sport or physical activity, participation in gymnastics carries an inherent risk of injury. As many gymnastics skills require inversion (turning upside down) of the body, the sport by its nature carries a risk of injury. This risk is controlled in a supervised class with a Gymnastics Australia qualified instructor. Parents and caregivers should be aware of this risk and explain to their child how important it is to be listen and follow instruction of the coach on duty.

Entry Routine

- Coach enters the foyer and announces that GFA athletes need to line up (with their parents) in front of the coach. They should have socks and a drink bottle.
- Coach marks the entire roll for the class.
- Once roll is marked, all athletes enter the locker area and remove shoes, storing their belongings in a locker.
- Once completed, athletes then wait in front of the coach next to the TV.
- Coach delivers specific instructions to begin warm-up.
- Late arrivals follow the steps above then report to their coach.

Athlete Expectations

We have a positive attitude to training:

- Try our best and give everything a go
- Speak and act kindly to each other

We listen to our coaches:

- Look at them when they are speaking
- Follow their instructions
- Only use equipment they have told us to touch

We use the gym safely:

- Be aware of other people in the gym
- Walk between apparatus or to locker area
- Keep our hands to ourselves

Consequences

There are consequences if an athlete chooses not to meet the expectations of training.

First consequence: The coach verbally reminds the athlete of the expectation. They ask the athlete how they will change their behaviour.

Second consequence: The coach reiterates the expectation and explains the next consequence.

Third consequence: The athlete is removed from one turn on the apparatus. After a conversation with the coach, they return to training.

Fourth consequence: The athlete is removed temporarily from the training group to their parents, or a designated place in the gym. After a conversation with the coach, they return to training.

Fifth consequence: The athlete is removed from training. The coach communicates to Rec Centre staff if the parent is not already in the foyer.

If any consequences have been issued, a conversation with parents at the conclusion of training is required to explain the behaviours, reinforce expectations and explain the consequences delivered.

Inspire Program

Inspire works through 4 stages to progress each athlete in their gymnastics journey. These stages are the equivalent of a 'level' with each having set required skills for the athletes to learn and master. As the athletes progress through the stages these required skills increase in difficulty, progressing them through the sport.

For athletes to move to the next stage they must perform and be marked competent at one of the Display Days.

Display Day

Display days are held twice a year - one in June and the second in December. The dates of the Display Days are to be confirmed by the Gymsports Coordinator and will be dispersed to families via email and handout.

Entries for the Display Day will be collected via trybooking link and parents/caregivers will have until two weeks before the event to enter their child. If a parent/caregiver requests for their child to be entered after the deadline has past this will be considered a late entry and a \$10 late fee will be charged. Any athletes who attend the Display Day without entering will be charged a \$20 late fee on top of the entry fee.

The Display Day is a non competitive performance opportunity for our Inspire athletes. This means that athletes are not ranked against each other but against an ideal model of each skill. Athletes are judged using the colour system which then places them in the gold, silver or bronze band for each apparatus. Athletes who display confident and competent performances will be awarded a badge to then move up into the next stage.

It is expected that athletes who are in the inspire program attend at least one of the display days per year. If you have questions about your child's readiness, please speak to their coach or the Gymsports Coordinator.
